Launch of e-newsletter

I am very pleased to announce the launch of my e-newsletter to my friends and fans. I hope this will help me to provide upcoming events and concerts more efficiently. The e-newsletter is still a developing idea so I would like to receive your comments and suggestions.

Please e-mail your comments to management@hectordelcurto.com

Welcome back Gustavo!

Finally our original pianist of Eternal Tango, Gustavo Casenave has come back from Uruguay on September 13.

After over a year, Gustavo and I finally performed together at "Boston-Chicago-Buenos Aires Tango Connection" in Boston on September 30. It was remarkable to play again with my great musician friend.

Gustavo has some openings for piano students so contact him now before it's too late. E-mail Gustavo at gustavocasenave@hotmail.com.

Eternal Recording coming out soon

The Eternal Tango's debut album will have its release in few months! The CD will include Eternal Tango Orchestra's favorites such as "A mis viejos", "El Aberojito", "A Evaristo Carriego", "Los Magos" and some great new pieces. We will keep you posted for the CD release party.
